Intensive Internal Cleaning : Complete dry cleaning of a interior including seats (carpet/leather), roof, mats and boot + Dashboard cleaning and Polishing + Dressings to all vinyl, plastic, rubber giving your car spotless, shiny, glossy interior.

Car Wax Rubbing And Buffing : Over the time cars paint erodes due to the effects of sunlight, UV radiation, acid rain, salt, dirt, bird droppings and Air pollution. We give NEW LOOK TO PAINTED SURFACES by repairing the paint scratches, swirls marks, dullness, etc by using special rubbing compounds and imported polishes approved by the car manufacturers.

Paint Protection Treatment And Teflon Coating : Our PTFE based Polymer paint sealant creates slippery, slick barrier that protects the paint finishes, reduces fading & oxidation of paint. It repels dirt & grime, accelerates water run-off to reduce spotting, smoothness weathered surface and removes scratches giving depth to the paint.

Speed Car Wash Addon Services

Engine Degreasing & Coating : This treatment is designed to provide a high gloss and slippery coating on to the engine parts, hoses etc. The primary advantage of this treatment is to prevent the hoses and electrical wiring from getting bitten by rats so that a vehicle parked for a long duration is not a victim of such untoward incidents. Leaves a high, glossy, transparent surface finish

A.C. Treatment : This protection is designed to disinfect the Air conditioner ducts and to improve air quality. Cleans the Air conditioner coils and ducts, Disinfects the ducts and helps to stop buildup of mould, Removes all bad and foul odors from the ducts, Improves in-car air quality for the well being of driver and passengers

Alloy Descaling & Tyre Treatment : Our PTFE based Polymer paint sealant creates slippery, slick barrier that protects the paint finishes, reduces fading & oxidation of paint. It repels dirt & grime, accelerates water run-off to reduce spotting, smoothness weathered surface and removes scratches giving depth to the paint.

Headlight Restoration: This treatment radically improves the visibility of headlights by giving a new life to the head light cover. It clears all hard water and oxidation from the glass, thereby letting the headlights shine bright. Removes all dirt, dust, hard water marks from the glass, Removes the oxidation formed which clears the passage of light, Makes night driving safer

Windsheld Treatment : This is for cleansing and protection of windshield of cars. With this treatment, hard water marks and oxidation are removed and a fine protective layer is formed to provide clear vision to drive during night as well as during rainy season. Enhances the safety & drive-ability. Dramatically improves all weather visibility, safety and driving comfort.
